Guidelines for Spa Guests

Spa Reservations

Reservation agents will be delighted to assist in planning your Peter Island Spa experience, including the best sequence and combination of treatments. The earlier you reserve your appointment the more likely you are to receive your preferred date and time. If you would like lunch, please place your order upon check-in for your spa services.

How to Use The Spa

We would like the spa environment to be relaxing and soothing for everyone. Please respect the right to privacy and a quiet atmosphere for all guests. We ask that you refrain from talking loudly and we ask that you turn off all pagers and cell phones.

Arrival Time

Please arrive a minimum of 30 minutes prior to your spa appointment. We suggest you arrive early so that you may enjoy the spa amenities such as the eucalyptus steam, relaxation lounge, beach and private pool. This will give you ample time to rest in the relaxation lounge, where fresh Peter Island water and teas are available for your pleasure.

Cancellation Policy

Please keep in mind that the treatment times are reserved especially for you. There is a 50% charge for any changes or cancellations to appointments with less than four hours notice or spa packages with less than 24 hours notice. No-shows will be charged in full. As a courtesy to guests, late arrivals will only receive the remaining available appointment time.

What to Wear

Upon arrival you will change into a spa robe and slippers that will be provided to you. Undergarments are not necessary but can be worn if you prefer. Disrobe to the level of your comfort. Our therapists are trained to drape a sheet or towel over your body in a discrete manner so that you are always covered. If at any time you are uncomfortable, please inform your therapist.

What to Bring

We provide all spa guests with daily use of a robe, slippers, towels, and other locker room amenities needed. A private, daily locker is available to you to store your belongings. We suggest that you do not bring valuables to the Spa. There is a safe for use in your room.

Treatments and Services

If you are under a physicians care or on any medication, please inform your therapist or service provider prior to your treatment or session. Furthermore, if you have any physical problems, ailments or existing injuries of any kind, inform your therapist so they may properly care for your needs and prevent possible re-injury.
